CLASS HISTORY

Our Student Council members were Joseph Bellock and Edward Robitz. The position of director was taken over by Mr. Reader. In order to raise money for the Junior-Senior Prom we sold peanut brittle at Hallowe'en and candy at Christmas time. Under the direction of Mr. Glass our class play, "You're in the Army Now," was a splendid success. With the arrival of our class rings we then knew that it was not long until we would be Seniors and on our way to a successful school career.

Finally we entered Monaca High School for our last and most important year. Our class officers were:

President ..... Helen Radakovich
Vice President ..... Warren Renner
Secretary ..... Francena Regney
Treasurer ..... Jack Grab

Our Student Council members were Betty Inge and Chester Anderson. Mr. Beighey took charge as director of the class and as adviser for the annual. Although greatly handicapped by war-time conditions, our Senior Class Play, "Saved by the Belle," under the direction of Mrs. McNeil, became a great success. Many Seniors also took part in the play "Hey Stranger," for the benefit of the music department. Name cards, Senior pictures, and our lessons filled the hours of our school days. Then came the most important day of our school career, the day which told us we were graduates of the Monaca High School Class of '43.

We Juniors began our high school life somewhat like young saplings in a huge forest. Our surroundings, our teachers, and our upperclassmen were entirely new to us. However, through the guidance of Miss Milliron, as our forest ranger, we gradually became acquainted. Our big event of the year was the "Sophomore Prom," but this event did not greatly overshadow the many other activities in which we took part.

Throughout the summer we looked forward to our Junior year, due to the fact that we were better acquainted with the daily routine. With Mr. Reader as our forest ranger, we gradually grew to a place of importance in the daily program of our school. We had many activities, namely, selling candy, selecting our class rings, and planning the social event of the year—the Junior-Senior Prom—also the Junior Class Play.

With only one more year in high school, we are looking forward to that year as our best.

The year of 1942 saw the Sophomores joyously entering the Monaca High School, a battle long fought and now won. Through the efforts of Miss Milliron, our sponsor, and the friendship of the upperclassmen, the Juniors and the Seniors, we became acquainted with our new school and its wide variety of activities.

Soon our class was represented in all the activities from the Student Council to the Girls' Athletic Association. The selected members represent-

ing the class in the Student Council are Frances Bobroski and George Somerville. Two new cheerleaders were chosen from the Sophomore class—they are Frances Bobroski and Ellen Hall.

A Sophomore, Anita Equizi, was one of the newly chosen drum majorettes.

Several members of the basketball team are reserves on the varsity and are doing quite well for themselves.

Our first class meeting was held in October and was concerned chiefly with the thought of selecting our class rings this year because of the metal shortages and the paying of class dues. It was decided five cents a month should be paid for class dues starting with November. Everyone agreed to buy class rings so a ring committee was chosen to represent the class in the selection of the ring.

SENIOR BAND

The band has been unusually active this year. Besides playing for all home football games and going to the Beaver Falls game, we escorted groups of draftees to the railroad station. For the dedication of the Honor Roll near the Junior High School we provided music. All during the summer rehearsals were held with parades in Midland and Rochester and a summer evening concert as special activities. In the annual Spring Concert the band gave an outstanding performance.

Junior High School Music Department

This year finds the music department even more prominent than last. Within a few years the Monaca Music Department should be one of the county's finest, due to the efforts and far-sightedness of Mr. Wood, Music Director, in cooperation with Mr. Groleau, who have evolved a plan which already shows gratifying results. Junior High Music is to be a distinct unit with players ineligible for Senior High groups until Grade 10. After several years' experience with the Junior group, all musicians entering the Senior High organizations will have attained a certain skill of performance and musicianship that will inevitably set a high standard. This year there has necessarily been some duplication of personnel but already the Junior High Band and Junior High Orchestra have established themselves. A definite effort is made to see that musicians are started on instruments that lead to a completely balanced group. When beginners reach a certain proficiency they are promoted to the Junior High Groups.

Junior High Orchestra

January 27th marks an important date. The Junior High Orchestra of nearly 70 pieces took the stage for an assembly program and surprised even the Junior High itself with its fine performance. Mr. Wood had started with practically no string players and in a year and a half of teaching has built an orchestra containing twenty-five string instruments. Then, on February 25th, this orchestra with the Junior High Band, and the Junior High Chorus which is under Miss Schachren's direction, presented the very first All-Junior High School concert in Monaca.

7:45—At breakfast Johnny yells, "Pass the biscuits, Mirandy" and "Let's Have Another Cup of Coffee." Is that guy kidding?

8:00—"There's a Long, Long Trail a'Winding," which leads Johnny to that "Little Red School House" where Mr. Brennan is busy at work collecting blackboard erasers.

8:30—Mr. Beighey takes the roll to see if "Conchita, Marquita, Lolita, Pepita, Rosita, and Wanita" are all there. Then devotions follow, with a loud "Amen" from the class.

9:00—Activity period and Johnny has nothing "On His Mind" but the fun he had with the "Juke Box, Saturday Night." "He's Getting Tired So He Can Dream" because "He's Always Dreaming Dreams."

10:15—In Mr. Measel's bookkeeping class Johnny stares out of the window at the "Snowflakes" and starts "Wishing" that next year we'll have a "White Christmas."

11:30—In Assembly we all sit and listen to Mr. Groleau's lecture about "Backing the Red, White, and Blue With Gold." Then Mr. Reader's Hi-Y boys go around asking everyone "Any Bonds Today?"

12:00—"At Last" "Johnny Comes Marching Home" to a lunch of "All That Meat and No Potatoes."

1:00—Johnny takes his usual "One O'clock Jump" through the front door so he won't be "Late Again."

2:30—Miss Milliron announces the result of her last English test. Johnny got an "A." I guess "There Are Such Things."

3:45—Pep meeting with "Three Cheers" for the team and then dismissal.

4:00—Mother begins to "Wonder When My Baby's Coming Home." But little Johnny is down at Dan's Dairy sipping a coke and besides him sits "Loretta."

5:30—"When Johnny Comes Marching Home Again" he is going to sit "Over There" until his father comes home. Deep down in our hearts, Johnny, we pity "Poor You."

PROPHECY

When our boss, Mr. LeGoullon, received a letter from Major Rockwell requesting our presence (WE three) at a very important meeting in New York, we immediately started on our exciting trip.

While still in Rochester Station, whom did we see at the ticket window but Bill Milne! After we bought our tickets from Bill and were bound for Pittsburgh, we met Ed Robitz. To our amazement we found out that he was a traveling salesman, bound for Pittsburgh! After chatting with Mr. Robitz, he informed us that James and Edward Davis were sports writers for the Pittsburgh Sun-Telegraph, and that Glenn Oyster was a photographer!

Well, after bombarding Ed with questions concerning our old classmates, we finally got some interesting information.

Barbara Vlasic and Shirley Jenkins had become very capable nurses in the United States Army and were now serving overseas. Carolyn Sowash was married to a Lieutenant and was now residing in Panama. Dorothy Alischer was private secretary to the president of a steel corporation. Frances Olshanski was gym instructor at Lockport High School in New York, with Lillian Frank as her assistant.

As though we couldn't have guessed, Earl Klinseisen operating his own bakery shop in Pittsburgh!

Regretting that that was all the information we had time for, we hopped off the train. Since our airplane was not scheduled to leave until late that evening, we decided to take one last fling. Instead of taking a taxi, though, we decided on a bus because of the present situation. While climbing aboard we glanced up—to see the familiar face of Joseph Bellock smiling at us. We spoke to him and then seated ourselves in the rear of the bus. Sitting next to us we discovered Jean Forrest. We found that she owned a beauty salon and that Betsy Ann French was the assistant manager. Soon we hopped off the bus and proceeded down Liberty Avenue. To our amazement, we spied an attractive sign reading "Connor's Dairy Bar." We entered and found it was owned by James Connor. Rose Rubino, Elsie Mangie, and Elsie Dechellis were employed as waitresses. We talked to Jim for awhile. Our conversation brought surprising results! Sophie Andrie and Emma Solomon were elevator girls for the William Penn Hotel! Eleanor Figley was now a very capable dietitian. Francena Regney, Loretta Miller and Bernice Fleischer were working for the government in Washington, D. C. George Kobulkanic was now on the list as one of the ten leading boxers, with John Deveney as his manager. Well, time soon ticked away and we still had a lot more places to visit.

After leaving "Connor's Dairy Bar," we decided to go to the Stanley Theater to take in a show. When we arrived at the show what do you think attracted our attention? John Dietrich's Co-ed Orchestra with Nancy Jane Jarrett at the piano and Harmon Celeste as accordionist. Also featuring Dorothy Tomasello and Mary Jane Hill as vocalists. Yes, you are right! They were making a stage appearance that very day!

After the show Johnnie gave us some very interesting pointers. Eugene Knopp, Joe Yuran, Tom Namadan, John Vogt, Marshall Olshanski and Joe Turbish were now playing football for Chicago U., cheered on by Jean Delp and Bette Landers. Herbert Yothers, Wilbert Lyons and Melvin Larson were the three leading research workers in the state of California. Jack Kinkead was a film producer in Hollywood.

It seemed no sooner than we learned of these things that it was time to leave. Bidding Johnnie and the rest goodbye, we hailed a taxi and hurried off to the airport. Since our reservations were already made, and the plane was waiting, we scampered to the plane. Standing in the doorway of the plane was Betty Inge, uniformed as a stewardess.

"Well, well, if it isn't like old times—with Dr. Radakovich and her assistant, Lois Grosshans, Betty Jena, world famous news reporter, and Rosabelle Barto already on board." Then she said, "Here, get acquainted with this!" What do you think it was? A newspaper.

Our eyes were caught by the glaring headlines—"D. A. Finds THE Missing Link." After reading on, we found that the D. A. was none other than our old classmate, John Cronin!

The inside also held a lot of surprises. On the Woman's Page we found "Hints on Remodeling," by Mary Farrington. "Household Hints," by Amelia Antoline. "A Stitch in Time Saves Nine," by Cecelia Salamay.

From the radio page a familiar face looked out at us—Warren Renner, a radio announcer! Farther down the radio page we noticed that Kenneth Boak and Bill Ruckman were world-wide news commentators.

Then at the bottom of the page was "Learn to Dance at Zupsic's Ball Room!" Our old football hero, Matt Zupsic, was operating a dancing school, with Viola Voulgarakis, Clara Furguivelli, Antoinette Taorminia, Franklin Crawford, Margaret Danna, and George Glass as instructors.

Still another advertisement caught our eye—Evelyn Ference owned her own drug store!

PROPHECY

After reading the newspaper, we started talking to Betty Jena and found out some more interesting news! She said that among the happily married were Clara Castronova, Alice Alexander, Jenny Ciecerko, Mildred Groth, Elsie Tuma, Lydia Sintay, Ethel Curley, Sara Johnston, Eva Markulin, Iris Ledford, and Thelma Miller.

Dorothy Ballish, Delores Dennis and Delores McWilliams were now instructors in a business school. Mary Catherine Gribben was a P. O. D. teacher in a New York high school, while Agnes Tonkovich and Eleanor Schatzinger were music teachers.

Albert Giordano, Lathel Weekly and Martin Winkle were machinists in a big steel factory.

Jack Grab and Robert Hunter were among the leading politicians. Edward Ciecerko, Bill Holic and Harry Jaros were brokers in the New York Stock Market. Christy O'Keefe, Elmer Petrella and Bob Pickerell were at last elected to run in the United States Senate.

Anna Didich, Evelyn Hagerty, Veronica Konevich, Helen Zajac and Peggy Hemer were Canteen hostesses. Cecelia Puhalla, Selena Sebastian, Frances Palumbo, Bernice Morgan and Helen Roseler were now members of the Women's Auxiliary Army Corps!

Chester Anderson, Norman Harrison and Wilson Bragg were working in Radio City! John Helbo and Robert Guzik were famed plane designers and had just completed plans for a plane for the government.

Bill Milligan and George Plaskonas were co-owners of a music store in New York, and Norman Gonet was a master of ceremonies in a big night club, of which Frank Reda was the proprietor.

It seemed no sooner than we learned of these things that it was time to land. Bidding Betty and the rest goodbye, we hailed a taxi and headed for the office of Major Rockwell.

We finally found the office and to our surprise there was Delores Wainwright, Major Rockwell's secretary!

Well—that's a complete roundup of the Class of '43. The meeting? Yes, we had it!

Indians Bow to Bridgers

Monaca High School's 1942 football team dropped its opening game of the season to a fast, hard-hitting Ambridge eleven before a throng of about 7,000 spectators at Ambridge. The final score was 21 to 0.

The red and white clad Bridgers were held in check in the first period, but broke loose to score twice in the second chapter and added another touchdown in the final stanza.

Monaca's lateral-forward pass combinations put them in scoring positions twice but were halted both times.

Beaver Falls Trips Monaca

A hard-running attack supported by good line play and effective blocking carried the Beaver Falls High School gridders to a 26 to 0 victory over Monaca High at Reeves Stadium. Earl Tate and Paul Massey, Tiger backs, scored two touchdowns apiece. The Tigers scored 13 points in the first stanza and 7 and 6 points in the second and fourth quarters respectively. Both the Monaca and Beaver Falls High School bands paraded and entertained at the half-time intermission.

New Brighton Loses to Monaca

After two discouraging setbacks the Monaca High School eleven hung up its first victory of the season, defeating New Brighton High School's team, 12 to 7, in a hotly contested game on the Crimson and Gold's field.

The Indians achieved their first win of the year by scoring two touchdowns in the second period and then stopping all but one of the New Brighton's last half drives. On the whole, the two clubs were very evenly matched. Each side made six first downs during the afternoon.

A few minutes after Monaca's first score, Ralph Galia intercepted a Crimson and Gold pass on the Monaca 24 and raced 76 yards for a score.

The Crimson and Gold's score came in the final stanza on a run around right end. The teams were battling in mid-field when time ran out.

Monaca Bows to Tarentum

A deadly aerial attack proved to be a deciding factor in the contest. Tarentum scored on a 30-yard pass in the first quarter. In the second quarter the Tarentum eleven scored two more times and led 20 to 0 at the half. The Indians marched 55 yards for their score in the third period with Knopp adding the extra point. Tarentum added the final score of the game in the fourth quarter on another pass.

First downs were ten to seven in Tarentum's favor.

The Indians had an 11 to 6 advantage in first downs.

Indians Lose to Homestead

The Monaca gridders lost a 25 to 0 decision to the tough Homestead eleven at Homestead.

The Steelers counted all their points in the first two periods, scoring once in the first stanza and three times in the second. Monaca dominated the play in the second half but was unable to score.

The Indians were considerably under-manned for the contest due to the absence of six players, all of them starters in several games this season.

Monaca Beats Freedom

The Monaca High School Indians ran over two touchdowns in the second period and two in the third to defeat Freedom High School's eleven, 24 to 6.

Joe Turbish paced the Red and Blue backfield as he personally carried the oval across the Freedom goal line three times and tossed a lateral pass to Eugene Knopp who registered the other six-pointer. The Bulldog's score came in the fourth quarter.

The Freedom line resisted strongly nearly all afternoon, but the Indians' sweeps around the ends, especially with Turbish carrying the ball, gained consistently, and the winners' peculiar assortments of laterals also proved to be effective.

Indians Trounce Midland

The Monaca High gridders took their second raight win when they decisively crushed the Midland even by a 25 to 0 score at the winner's field.

Monaca scored one touchdown in the first period, ne in the second, and copped this off with two more the third stanza. The game was a one-sided affair ith the Monaca team showing its superiority over e Leopards all the way.

Indians Defeat Munhall

The Monaca High quintet scored its first victory of the season defeating the Munhall High passers, 35 to 33, in an extra-period game played on Munhall's floor. Bob Pickerell, Monaca forward, sank the winning basket in the extra period to break a 33-all deadlock. Monaca built up an 11 to 8 lead in the first period and was out front 25 to 19 at the half. With only a minute to play in the final period Monaca was trailing by a 33 to 31 score. Jimmy Hill came through with a field goal to tie the score.

Potters Trounce Monaca

Monaca High School's passers suffered their fourth defeat in five pre-season starts when they traveled to East Liverpool. The East Liverpool High quintet racked up a 46 to 23 victory over the Indians. The Monaca varsity trailed all the way, the score being 9 to 5 at the quarter and 21 to 11 at the half. Monaca was outscored 13 to 5 in the third canto.

Monaca Bows to Ambridge

The Monaca and Ambridge High School basketball quintets battled on even terms through three periods on the Bridgers' hardwood court before the veteran home team forged ahead in the last eight minutes and walked off with a 37 to 23 verdict. The Bridgers started off fast and held a 14 to 6 margin as the first stanza ended. But Monaca came back and held them to two points in the next quarter and were behind 15 to 16 at the half. As the fourth quarter started, Ambridge led by 24 to 21.

Indians' Rally Defeats Crusaders

The Monaca High School basketeers staged one of the most gallant rallies ever seen on a local hardwood court when they came from 15 points behind to score a 32 to 28 victory over the St. Veronica High School quintet before a slim crowd on the Monaca floor. St. Veronica led 6 to 5 at the quarter and 16 to 7 at the half. Early in the third quarter Monaca, trailing by a 22 to 7 score, staged a heart-warming rally led by John Dietrich and Jack Kinkead.

Monaca Trips Brighton

Monaca High School's floormen came from behind in the second period to build up a seven-point lead and fought through to a 34 to 30 victory over the New Brighton passers on the Southside court. New Brighton had a 10 to 7 edge in the opening period, but the Indians staged a second session rally to put Monaca out in front, 20 to 13. Each tallied six points in the third quarter.

Beaver Falls Tumbles Monaca

Monaca High wound up their pre-league campaign in Beaver Falls, losing a 23 to 30 decision to Beaver Falls. The Tigers led from the early part of the first period and gained most of their seven-point victory margin in the first half. At the quarter the Indians trailed by only two points, 4 to 6, but the Orange and Black sprinted in the second canto, outscoring the Monacans 10 to 6 and leaving the floor at the intermission with a 16 to 10 lead. The Tigers increased their margin to seven points in the third chapter and each side counted five in the fourth.

Monaca Tripped by Rochester

Taking the lead in the first quarter, the Rochester High School basketeers opened their Section XI competition by scoring an 18 to 14 victory over the Monaca High School quintet, defending WPIAL Class B champions, in a rough and wooly game on the Rochester floor. The Ram jumped away in the first period to a 5 to 1 lead and strengthened this to 11 to 6 as the intermission gun sounded. In the third canto the Rams lead was increased another two points as they scored six points to Monaca's four. The Red and Blue stopped the Rams cold in the last eight minutes as Monaca scored four points to Rochester's one.

Monaca Bows to Ellwood City

Handicapped by the absence of two regular players due to injuries, and with Coach Stanley Berkman also absent, the Monaca High School quint fought a game but losing battle against Ellwood City's big, fast team on the Indians' court. The Wolverines romped to a 59 to 38 decision. Robert Pickerell, forward, and John Dietrich, guard, missed the non-league fray because of injuries suffered in the Indians' tussel with Rochester. Assistant Coach Lou Blistan was in charge of the team in place of Head Coach Berkman who was away on business.

Indians Defeat Beaver, 32-26

Forging ahead again in the last three and one-half minutes after a nine point lead had been wiped out, Monaca High scored its first victory of the current Section 11 season by taking the Beaver High Bobcats into camp by a 32-26 margin. The Southsiders took the lead in the first period and were ahead 5 to 2 at the end of the period. Both teams found their shooting eye in the second stanza and ran the count to 16-14 in favor of the home team. This margin was lengthened to 24-17 as the third period ended. After the game was tied at 25-25 with less than two and one-half minutes to go in the last quarter, Jack Kinkead countered twice and Ralph Galia once to save the game for Monaca.

Indians Nose Out Bulldogs

Coming from behind three times, as the stubborn Freedom defense was as miserly as usual in yielding points, the Monaca High School cagers bumped the Bulldogs from their share of the Section 11 leadership by taking a 20-18 decision on the Freedom floor. As the final quarter began, the score was deadlocked at 16 all. The Freedom center rung one up, but Ralph Galia followed suit to deadlock it again at 18 all. A half-minute later Ralph Galia topped individual scoring honors with eight points.

Crusaders Edge Indians

With three regulars out of the lineup, the Monaca High cagers traveled to Ambridge and dropped a 25-28 decision to St. Veronica High School in a non-league game. Bob Pickerell, John Dietrich and Jack Kinkead, all regulars, remained at home because of ankle injuries.

Monaca Tops Hopewell Township

With nine players participating in the scoring, the Monaca High School cagers defeated Hopewell Township High, 44-25, at the Aliquippa High gym. The Monacans broke away to a 9-4 lead in the first quarter and increased it as the game progressed.

Indians Trip Midland

With John Dietrich displaying a lot of plain and fancy shot making, the Monaca High School cagers defeated the Midland Leopards, 38 to 29, on the Southside court. Dietrich set the pace for Coach Stan Berkman's Indians as they rallied in the second quarter to take the lead away from the Blue and Gold and went on to win by a comfortable eight-point margin.

Tigers Down Monaca

Monaca High School's floor team dropped a 35 to 23 decision to the Beaver Falls Tigers at Monaca. It was the second defeat suffered by Coach Stan Berkman's passers at the hands of the Class A, Orange and Black this season. Beaver Falls gained the lead in the first quarter and never lost it throughout the game.

Rams Beat Indians

Coming from behind in the closing minutes of the game after blowing a ten-point lead in the third period, the Rochester High School basketeers marked up their sixth consecutive victory in the Section 11 race by a 38-36 count at the expense of the Monaca High cagers before a capacity crowd on the Monaca floor. The Rams led all the way to the fourth quarter when Monaca took it for a minute by a 33-32 count. With the score tied at 36 all and only two minutes to play, Fritzius sank a fielder and the Rams froze the ball until time ran out.

Wolverines Top Monaca

Outscored in the last three periods after holding their opponents in the first eight minutes, the Monaca High School basketeers dropped a non-sectional battle to the Ellwood City Wolverines by a 29 to 46 count on the Ellwood City floor.

Indians Capture Bobcats

Monaca High School's cagers put on a brilliant exhibition of passing and shooting in overwhelming the Beaver Bobcats by a score of 38 to 21 on the Beaver floor. The Beaver passers tried hard all the way but never had a chance to overtake the flashy Southsiders after Coach Stan Berkman's pupils forged far ahead in the second period. It was just about the best game the Indians had played all year, while Beaver's performance was considered below par. With a 22 point lead at the close of the third period, the Monaca coach sent in five substitutes, who played the rest of the game.

Indians Win Over Freedom

The Monaca High School basketball quintet utilized their proficiency at the foul line to take a 30-25 victory from the Freedom High cagers on the Monaca floor. Each team hit the nets for eleven buckets from the floor but the Southsiders cashed in on eight of ten shots from the charity line while the Bulldogs made only three of their ten in the free-throw circle.

Indians Win Over Hopewell

Outscoring their opponents in every quarter and using more than three full teams, the Monaca High School basketball team marked up its seventh victory in nine league starts by tripping the Hopewell Township quintet by a 42-25 margin at Monaca. Although the varsity played only a brief time in the first period and for a few minutes in the last quarter, the Southsiders took the lead at the beginning and continually increased it all during the game.

Leopards Edge Monaca

Bob Rodgers, Midland guard, threw a field goal from the middle of the floor in the last minute of play to give the Leopards a 33 to 31 victory over the Monaca High passers in a fast, closely-fought game at Midland, as both teams wound up their 1943 schedules. Rodgers' long shot in the last minute broke a 31-31 deadlock and gave the Midland quint an even break with the Indians for the season.
